

PFF Fellow Profile: Feng Charlie Zhao

Academic background prior to entering doctoral studies:

- Bachelor of Science in Rehabilitation, SIPE
- Master of Science in Computer Science, Lamar Uni.

Degree program / disciplines:

- UMKC I.Ph.D. in Computer Networking and Software Architecture

Courses Taught:

- Logic and Design

Teaching Interests:

- Data Structures and Algorithms
- Programming
- Database Management Systems
- Software Engineering
- Computer Networking
- Data Mining
- Information Storage and Retrieval

Research Interests:

- Computing with Relevance
- Information Storage and Retrieval
- Natural Language Processing
- Semantic Web
- P2P Network
- Grid Computing

Career Aspirations:

- Professor in Legal Information Retrieval

PFF Expectations:

- To understand dynamics of faculty: teaching, research and service
- To advance and develop teaching philosophy
- To learn and practice teaching methods

Cluster Institution Preferences:

- UTSA
- UT Austin
- St. Mary Uni.
- DeVry Uni.
